

## To set up Tracker News in Wolters Kluwer IntelliConnect

Step 1: Once you're in IntelliConnect, select the Tracker Setup tab.

Step 2: Follow the instructions on the Setting Up Trackers page by selecting the desired titles and then selecting Add Trackers.

Step 3: Enter your email address and preferences.

The screenshot shows the "Tracker News Delivery Options" dialog box. It is divided into two main sections: "Email Delivery Options" and "Email Content Options". In the "Email Delivery Options" section, there is a checkbox for "I would like to receive Tracker News via email" which is checked. Below this, there is a "Tracker News Email Address" field containing "janedoe@myemail.com" and a "User Name (to be used in email greeting)" field containing "Jane". There is also a "Send Test Email" section with a "Send" button. In the "Email Content Options" section, there is a "Choose an email format below:" dropdown menu set to "HTML". Below this, there are two checkboxes: "Display links to full stories in email" and "Include brief excerpts along with headlines", both of which are checked. There are "Apply changes" and "Cancel" buttons at the bottom of this section. At the bottom of the dialog box, there is a section titled "And don't forget." with text: "You may also have all of your Tracker stories sent to you via a single feed by copying the following URL to your RSS Reader." followed by the URL: "[http://intellconnect.cch.com/mantle-public/rss/x?userId=3364482&cpFilter=y&cpld=WKUS-Legal-IC] RSS" and a link "What is RSS delivery?".

If you prefer, you may choose to send your Tracker stories to your RSS feed reader.
